

## Assembling the Mystery Quilt Top!

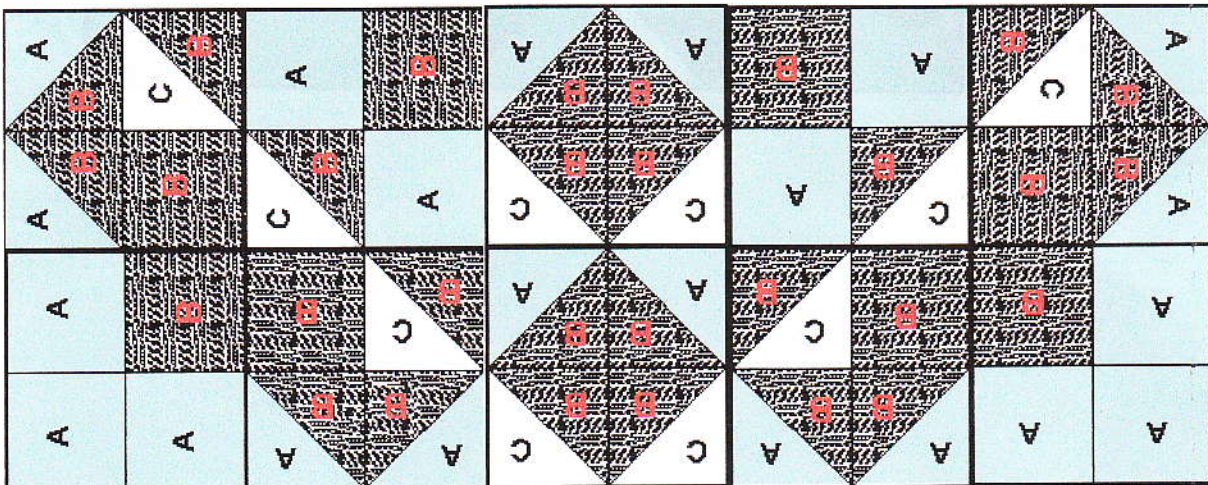

- Using the assembled units and a one unused square you still haven't sewed. Use that one square as below in the middle.

- Now assemble two of the 16-unit squares with one of the 2-units in the middle as below.

- Make one more as you did in #2 just above. It'll be used upside down as below.

- The strip you make in #1 above will be placed between the two parts from #2 and #3.
